

Playbill Advertisements

Support the Long Island Children's Choir by placing an advertisement in our playbill! The playbill will be distributed to all attendees at our formal performances throughout the year. The choir is composed of over 100 kids from all across Long Island.

The playbill will have a broad reach and is an excellent marketing opportunity for your local business as well as a way to show your support of the arts. That support is greatly appreciated, and helps us continue toward our mission of promoting music education among Long Island children from all socioeconomic backgrounds. For more information, please visit our website: www.lichildrenschoir.org.

The program book will measure 8.5" x 11" and will be distributed at all formal performances (DHPAC and other large venues) for the year (winter and spring). Ads will print in black and white.

Please neatly fill out all necessary information and specify the size of the ad you are ordering. Attach a hard copy of the ad to the order form and also email a high quality (300dpi preferred) pdf or jpg version to jregan@lichildrenschoir.org.

Forms can be given to any choir member to be handed in at rehearsal or mailed to:
