

Playbill Advertisements and Boosters

Use this form to order your ad/booster. Choir members are asked to participate in selling advertisements in our concert program. This is NOT a requirement, but all sales will help support the choir. Every member who sells two ads of any size will get a free ticket to the Islanders game on Jan 4th!

The program book will measure 8.5 x 11" and will be distributed at all formal performances (DHPAC and other large venues) for the year (winter and spring). Ads/boosters will print in black and white.

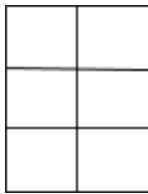

Please neatly fill out all necessary information and specify the size of the ad you are ordering. Attach a hard copy of the ad to the order form and also email a high resolution (300dpi preferred) pdf or jpg version to jregan@lichildrenschoir.org.

Please have all ads submitted by **December 10th**, 2013.
