

Student Recommendation Form

The Long Island Children's Choir highly values public and private school music programs as the primary source of music education for our singers. It is our goal to serve as an extension of these programs, not a replacement. Accordingly, all singers of performance age are expected to participate in a positive manner in school performance ensembles, where they are available.

(To be completed by the student's current or most recent school music teacher)

Singer's Full Name: _____ **Grade ('13-'14):** _____
